

THE COALITION FOR
CONSERVATION GENETICS

Genetic Diversity at COP17

We are here to support countries and partners,
share knowledge, and listen to your needs.

OUR EVENTS

WEEK 1

TUE
20
Systematic monitoring of agrobiodiversity on farm and in situ –
an overview of approaches, tools and prospects
🕒 13:15 📍 Komitas - Business and Industry Organizations
Group room - Block 2, 3rd Floor

TUE
20
Maximizing ex situ contributions: Strategic partnerships to
deliver on GBF targets
🕒 09:00 📍 IUCN Pavilion

WED
21
What comes after an ABS permit? How research generates
lasting benefits for biodiversity and supports the KMGBF
🕒 18:15 📍 Vayk - Side-event Room 3

THU
22
From data to reporting to action: implementing the
genetic diversity indicators of the KMGBF
🕒 12:00 📍 Data to Action Pavilion

FRI
23
EAZA side event: Connecting genes, species and habitats:
partnerships for KMGBF implementation
🕒 10:45 📍 FPWC Blue Zone Pavilion

SAT
24
From data to reporting to action: how Galaxy Ecology initiative
allows to design a sustainable model to manage and boost
indicator production from local to global
🕒 18:15 📍 Data to Action Pavilion

WEEK 2

SUN
25
How to use Earth observation for genetic diversity monitoring
🕒 14:00 📍 Academia & Research Hub

SUN
25
Developing genetic indicators (Session: on data, indicators, and
monitoring)
🕒 15:00 📍 Science Policy Forum

SUN
25
Explaining and applying the genetic diversity indicators: including
capacity support, subnational reporting, and marine
environments.
🕒 16:00 📍 Academia & Research Hub

MON
26
How to use Earth observation for genetic
diversity monitoring
🕒 18:00 📍 Data to Action Pavilion

TUE
27
The unequal burden of biodiversity reporting: how scientists can
support a more equitable Global Review
🕒 12:00 📍 Academia and Research Hub

WED
28
From biodiversity knowledge to Nature-Positive Finance:
Scientific foundations for Action
🕒 09:00 📍 Nature Positive Pavilion

WED
28
Translating KMGBF Genetic Diversity Commitments into Species
Conservation Actions
🕒 09:00 📍 IUCN SSC's sessions at the FPWC Pavilion
